Policy Document On E- GOVERNANCE

Introduction:

Shri Dnyaneshwar Maskuji Science and Arts College, Shegaon believes in introducing technology not only in teaching-learning but effectively in administration and governance. In order to provide a simpler and efficient system of governance within the institution, it is adopting and implementing e-governance in maximum activities of our functioning.

Policy Statement:

e- governance will be used by the college in all areas of operation, including the library, accounts, admissions, administration and teaching, among others. The framing of policy is to make every function transparent and accountable. It provides an efficient system of governance within the college, to embrace and execute e-governance in maximum possible activities of college functioning.

Objectives of the policy:

Following are the objectives of the policy

1. To provide a simpler and more efficient system of governance in the institution, e-governance is implemented in all functioning of the institution.
2. To encourage transparency and accountability across the college's entire functioning.
3. To achieve and create a paperless environment in the college.
4. To establish internet connectivity and enable Wi-Fi in college campus.
5. Provide easy access to information and make the institute visible throughout the world.
6. To establish a fully automated Library, admission, account and examination.

The college decides to make the following policies.

1. Administration:

- Biometric is used by administrative staff and teaching faculty to record and trace attendance.
- To provide a hassle free, convenient and smooth process, administration of the college to be made paperless using ICT based technology.
- To maintain an efficient database, the administrative office uses advanced Excel and file management system tools.

- Additionally, students are able to access maximum services, such as transfer certificates, bonafide certificates in online mode.
- To keep them up to date with the latest technologies, administrative staffs receive proper training and development.

2. Finance and Accounts:

- For ease of maintaining accounts, college is using Campus ERP software.
- Cutting- edge tools help staff to maintain financial records effectively and efficiently. Profit and loss, balance sheet are generated through this software only.
- The confidentiality of the transaction should be maintained by taking the necessary security precautions.
